

Vango

It's pretty big for a small tent. Almost tardis like, the amount of space inside is surprising. It's no myth that the tunnel structure gives lots of internal room to manoeuvre. Get the most out of your walking poles by using them to extend out the front door after a day on the hills.*

ENSIGN/Bluebell

Capacity:	3 person
Total weight:	4.54kg
Pack size:	60 x 19 x 19cm
Pitching time:	5 min
Pitching area:	420 x 515cm
